Facilities for recharging mobile phones or any other electrical devices are limited. We can loan you a powerbank at the start of camp when you book in. We advise that mobile phones are best switched off while at camp.

Open toe sandals or flip-flops are not allowed for some activities. Think through your choice of activities at this stage and make sure you bring appropriate clothing.

It would be super helpful for campers to pack their own case, so they know what they have with them! Try to get all your basic gear into one case or holdall. We also advise that everything you bring is labelled with your name.

Please do not bring jewellery or any other expensive/valuable items. All personal property is on camp at your own risk. **We are not responsible for loss, damage or breakages.** There is a camp bank provided to keep your money safe, which can be accessed on a daily basis. We also advise that you make use of the bank to keep important documents safe, such as, your passports and travel tickets.
